

SHORE School

Enter school through main gate (G) on William St (facing Blue St). Chemistry labs are on 5th floor of building on RHS. Stairs and lift on ground floor through door at north end of building

Coming by Private Transport?

Teachers coming by car with equipment should enter school through Union St gate and park under tennis courts. Please place a note on car front window stating occupants are at Shore for the Titration Competition - else car may be towed away.

Coming by Rail?

Students should take train to North Sydney station then a brief walk to the main school gate.
